MEMORANDUM FOR: Office of the General Counsel

THROUGH: SSA/DDS

SUBJECT: Payment of Storage and Related Costs for Personnel
Participating in the 20-21 Program

1. There has been presented to the EE Division a claim by a staff employee for reimbursement of costs incurred for packing, carting and storing of household effects while the individual was participating in the 20-21 Program.

25X1A6A 2. At the time the staff employee transferred PCS from Washington to he chose to store his effects in a relative's garage in San Francisco, California. Following the completion of his first tour overseas he returned home TDY on 14 September 1954 and entered the 20-21 program on 23 November 1954. In January 1955, after entering the Army it became necessary for the employee to remove his effects from the relative's garage and have them packed and carted to a local storage firm. He returned from the Army on 7 June 1955 and his status was changed from TDY to PCS. Washington. Subject has entered a claim for:

A. The cost of packing and carting his effects to the storage point.

B. The cost of storage up to August 1955.

3. It would be appreciated if your office would give us a determination on the following points.

A. Can reimbursement be made to subject for costs incurred for packing and carting his household goods to the storage company?

B. Can reimbursement be made for costs incurred for
